Health Fair Training (for first time volunteers or those who want a refresher) will be held:

- Saturday, **March 3** from 10 am to 12 pm
- Tuesday, **March 6** from 6 pm to 8 pm

Both sessions will be held at COCA's office, 1777 S. Bellaire Street, Suite 170.

REGISTER for training or to volunteer!

What is it like to volunteer at a health fair?

- COCA packs rolling suitcases with materials like symptom cards, brochures and fliers about ovarian cancer symptoms and risk factors, Resource Guides, give away items like pens, wristbands and teal ribbon nail files, a tablecloth, and COCA-branded table runner.
- You set up the table (we'll teach you how in training class!)
- Then you just start reaching out to people. It's good to have a "pick-up line" like..."Did you know that Pap Smears don't screen for ovarian cancer?"
- Tell people why raising awareness is important to you. Make it personal.

That's really all there is to it!
