COCA Connections

We understand that a diagnosis of ovarian cancer can be a very challenging, life-altering event. At Colorado Ovarian Cancer Alliance, we are committed to assisting you, and those supporting you, in managing this event through emotional, social and financial assistance. You can contact Katlyn, our COCA Navigator, to learn more: 720-519-3122, katlyn@colo-ovariancancer.org. We are here for you.

Group Support

Connect with other women going through an ovarian or other gynecologic cancer diagnosis in a professionally facilitated supportive setting: newly diagnosed, in treatment, after treatment, in recurrence, and long-term survivors. We have five **monthly** Nicki's Circle Ovarian Cancer Support Groups, including one by phone (*All groups are currently virtual phone/video sessions as of 2020). We have **weekly** Nicki's Circle Ovarian Cancer Support Groups (**Tuesdays at 9am for Survivors and Tuesdays at 1pm for Caregivers, loved ones, friends, and family**). *Starting March 2021 we will have a **Uterine and Endometrial Cancer Support Group** meeting second Monday of the month. For any group participation please contact Katlyn prior to first group.

Individual Support

We are available to talk with you individually by phone about the emotional challenges of being diagnosed, of going through treatment and adjusting to life after treatment. Our "professional mentors" are master's level counselors trained as part of our **Ovarian Cancer: Individual Support Program (ISP)**.

Peer Support

If you are interested in talking with another survivor directly, we will do our best to match you with a woman from our community in our **Peer Mentor Program** who has a similar ovarian cancer diagnosis.

Chemo Support / Information Support

For women newly diagnosed with ovarian cancer, contact us for a free **Comfort Kit** of items in a canvas tote bag to take with you to chemo. Our 80-page **Colorado Ovarian Cancer Resource Guide** provides useful tips, information and resources available locally and nationally.

Financial Support / Financial Navigation – Carol's Wish

We provide assistance to women dealing with financial hardship based on application qualifications through our **COCA.Cares Financial Assistance** program. Download a copy of the application on our website. **Carol's Wish**, our expert financial advocates, are here to help you navigate through the financial aspect of your medical treatment – both insurance coverage and clinical treatment.

Young Survivor Support (20-39 yrs)

COCA partners with the **Young Survivors Group: GET + TOGETHER**, that meets the first Thursday evening of the month at a local restaurant. We can add you to the email list for monthly reminders.
